

INSTRUCTIONS IN THE EVENT OF AN ACCIDENT

Stop the vehicle immediately, secure the accident site

Turn on the warning lights and wear a warning vest. Don't worry, everything will be fine.

If anyone is injured, give them first aid and always call an ambulance (112)

If necessary, also call integrated rescue service system (112)

Call the Police and wait for them to arrive (112)

Given that an accident with our vehicle causes material damage to the property of a third party (us), you are always obliged to report the accident to the police and you have to wait until they arrive and investigate the matter. Only sign the police report if you agree with its wording. Otherwise, write your own statement about the accident.

Make a note of all the information

Write down the license plate information of the participating vehicles, the names and addresses of their drivers or owners and details of their insurance. Also, be sure to note the names and addresses of the witnesses.

Create your own small photo documentation of the accident site

In your own interest, we also recommend marking the position of vehicles.

After the police have investigated the accident, remove the vehicles from the accident site

*In the case of a stationary vehicle, please contact us on +385 98 9502114.
In other cases, return the vehicle to the "IGNIT" zone marked in the mobile application.*
