

DRIVING POLICY

Registration

Registration is non-transferable and belongs only to the given user.

Keep vehicles clean

If significant contamination occurs, the user is obliged to clean the vehicle at his own expense.

Abide by speed limits and regulations

Drive only at the maximum permitted speed and observe all traffic regulations, not only for your safety, but also the safety of your surroundings.

Park considerately

We would like to help solve the problem regarding the lack of parking spaces, so please park considerately so that you take up as little space as possible.

No smoking

There is a strict non-smoking rule in all of our cars.

Transportation of pets

In our cars, the transport of pets is allowed only in boxes intended exclusively for the transport of animals.
