

GOOD TO KNOW

1) Membership is not automatic

Your registration is sent to us admins, where we will check if you are authorized to drive our vehicle

2) Only the person to whom the registration is bound may drive the vehicle

If you violate this rule, you are responsible for all damages caused in full and we are entitled to charge you a contractual penalty in the amount of 10,000 CZK.

3) Notify us of any changes

If your account information has undergone any changes, please let us know so that we can adjust your insurance accordingly.

4) Check the vehicle before renting

After registration, you are already fully responsible for the vehicle and any defects it may have, so always make sure that the vehicle doesn't have any issues and if so, report it to us immediately.

5) Prohibition of interference

If there is a problem somewhere, do not try to fix it yourself, but report it to our specialized experts. In case of violation, we will charge you a fine of CZK 5,000

6) Do not drive until the battery is completely depleted

It is necessary to always keep a little extra battery charge. With a scooter and a chopper you can ride up to 20%, after that the battery capacity starts to get damaged. In case of violation, we may charge you a fine of CZK 1,000

7) Park only in our "IGNIT" zone

You must always return our vehicle back to our parking zone, which is listed in the mobile application. You can park in the blue and purple zone for residents. In case of this violation, we will charge you a fine of CZK 1,000

8) Prohibition of parking in places where there is no signal
