### 1 > DOWNLOAD OUR IGNIT APP

### 3 > FIND THE CLOSEST SCOOTER

You can easily find the nearest scooter to you in the app. You can even book it for 15 minutes before the ride for free so that someone doesn't get to it before you.

### 5 > BE AWARE WHEN PARKING

You must always return the scooter to our marked zone in the app, so watch carefully where you park. You can park anywhere in our "IGNIT" zone off the road.

### 2 > REGISTER

To ride a scooter, just register and wait for the confirmation sms

### 4 > LETS RIDE

With your phone, scan the QR code into the app, take the scooter off the stand, kick-off and press the gas with your thumb. If you need to brake, press the brake on the left handlebar or press on the rear fender.
